HOUSING

The Hotel Taft will serve as headquarters for the meetings. Special rates have been arranged there and at the adjoining Hotel Adams: \$6.50 single and \$11.00 double. For reservations, write directly to the hotels, mentioning the S.A.A. meeting: Hotel Taft, 265 College St., or Hotel Adams, 243 College St., New Haven, Conn. The most convenient motor court is the Homestead Motel, 9 High St., New Haven, Conn.

TRAVEL FACILITIES

New Haven is within commuting distance of New York City via the New Haven Railroad, which offers almost hourly service during the day, with travel time averaging about 100 minutes. Airplane service into New Haven is poor; into Hartford, Conn. it is better; but the greatest flexibility may be obtained by flying to New York City and taking the train to New Haven. Those landing at Idlewild or Newark airports should go by bus to the city terminals and thence by taxi to Grand Central Station. Those landing at La Guardia Airport will save time by taking a taxi directly to the 125th Street Station of the New Haven Railroad.

REGISTRATION

It is requested that everyone attending the meetings register upon arrival. Registration will be conducted in the lobby of the Hotel Taft on Wednesday afternoon and evening (May 4) and all day Friday (May 6); outside the Law School auditorium on Thursday morning (May 5); and in the hall of the Peabody Museum Laboratories the rest of the time. The registration fee is \$2.00. For information and messages, inquire at the registration desk, or consult the bulletin board near the desk.

BANQUET

Tickets for the banquet can be purchased at the registration desk at a cost of \$4.00. This must be done before 10:00 A.M. on Friday, May 6. Persons not attending the banquet are also invited to the lecture by Dr. Bushnell at 8:30 P.M.

OTHER MEALS

The cafeteria in the University Dining Hall at the corner of Grove and College Sts. is prepared to take care of those attending the meeting on Thursday and Saturday noons. The best time to go there is 12:30 P.M., halfway between the 12:00 and 1:00 rushes. On Friday noon and for breakfasts and dinners, it will be more convenient to eat at the Hotel Taft or in downtown restaurants.

PARKING

Those driving to the meeting may park their cars in one of the following University lots: the Wilbur Cross lot, at the corner of Tower Parkway and York Place; the Sheffield lot, on Prospect St. between Grove and Trumbull Sts.; and the Camp lot, on Prospect St. between Trumbull and Sachem Sts. Parking is by permit only; these will be available without charge at the registration desk. Cars may be left overnight in the lots.
